GETTING STARTED

We are thrilled that you are considering partnering with The Cup for your special day. It will be our pleasure to help you make a personalized choice for your wedding dessert.

Many couples book their weddings months, sometimes years, in advance. With that in mind, we recommend that you schedule tastings and confirm your booking as early as possible. Please keep in mind that busy months, such as June and October, may fill up several months in advance.

Tastings are by appointment only. Call today to schedule your personal consultation.

BUILD YOUR OWN CUPCAKES

Want to serve something more original? With this option, you can choose your favorite cake, frosting, filling and topping.

Cake Flavors

French Vanilla Our version of white cake, this French Vanilla has a moist, light, classic "wedding cake" flavor, with just a hint of almond.

Dark Chocolate Similar to Devil's Food, our super moist, rich Dark Chocolate is a must-have for chocolate lovers.

Golden Yellow Smooth and buttery—like the cake you make at home, only better.

Red Velvet Classic sweet cocoa cake—a Southern favorite.

Banana Made with real, ripe bananas, this cake is sophisticated while still being perfectly bananas.

Lemon Refreshing, sweet and subtle with true lemon flavor.

Strawberry Dense, moist cake naturally flavored with real strawberries.

Swirl* Choose any of these combinations and we'll create a beautiful swirl cupcake just for you: French Vanilla & Dark Chocolate, Banana & Strawberry, Red Velvet & Strawberry, Dark Chocolate & Golden Yellow.
